

FRANCESCO FAGIOLI

Too many CV today?

Instead give a look at my creative portfolio. You won't be disappointed

francescofagioli.me

Curiosity to sell, extreme attention to detail, and an obsession with everything related to innovation and design. This is the explosive mix that brought me here. I have been in love with everything related to innovation and problem-solving since I was a child and I have found user experience to be the right way to improve people's lives.
